

JERIC GAVIOLA

1640 O Zamora St. Paco, Manila, Philippines | gaviola.jeric09@gmail.com | 09083138338

PROFESSIONAL SUMMARY

Customer service professional with experience supporting U.S. healthcare accounts. Skilled in healthcare claims, benefits verification, prescription refill requests, data entry, documentation, and administrative support. Proficient in Microsoft Office, Google Workspace, Salesforce, and AI productivity tools. Seeking a Healthcare Virtual Assistant role where I can provide organized, accurate, and reliable support.

EDUCATION

Pamantasan ng Lungsod ng Maynila

Bachelor of Science in Information Technology, 2022 to 2026

Fr. Pierre Tritz Institute – ERDA Tech

2017 to 2019

Specialization: Electrical Installation and Maintenance Award: Best in Electrical Installation and Maintenance (2017-2018)

PROFESSIONAL EXPERIENCE

Customer Service Representative, Healthcare Account C03, Conduent

2025 to 2026

- Assisted U.S. healthcare members with claims, benefits verification, eligibility inquiries, and prescription refill requests.
- Assisted members in understanding coverage, eligibility, and plan benefits
- Processed and resolved claims issues while ensuring accuracy and compliance
- Coordinated prescription refills and guided patients through medication processes

Customer Service Representative, Healthcare Account, Continuum Global Solutions

2024 to 2025

- Provided customer support for healthcare-related inquiries while maintaining high-quality service and documentation standards.

Customer Service Representative, Airline Account, Inspiro

2023 to 2024

- Managed flight bookings, re-bookings, and customer concerns to ensure satisfaction

ACADEMIC PROJECTS

EMR (Electronic Medical Record)

2026

Developed a web-based Electronic Medical Records (EMR) system that enables patients, doctors, staff, and administrators to securely manage and access medical records and consultations. Incorporated CP-ABE for role-based access control and integrated QR code and OCR technologies for efficient patient registration and data processing.
